Nancy Peeler, EPA Case No. 16-0841-03A
Robert Scott, EPA Case No. 16-0841-04A
Corinne Miller, EPA Case No. 16-0841-5A

Dear Mr. Nguyen:

I recently became aware that Notices of Suspension were sent to Nancy Peeler, Robert Scott and Corrine Miller. Ms. Peeler and Mr. Scott have been suspended with pay from the Michigan Department of Health and Human Services (MDHHS) since August 2016. Ms. Miller retired from MDHHS in May 2016.

None of these employees currently receive any federal contracts or approved subcontracts for the Department, nor do they act as an agent or representative on behalf of another in such transactions. Additionally, none of these employees are currently being compensated with any federal funds.

If you have any further questions regarding this matter, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Nancy Vreibel".
